## About Adama

Adama Sow is a ceramist who originates from Senegal (West Africa). This master on the potter's wheel has been working with clay for more than thirty years. He has taught classes for adults and children all over the world, including; Senegal, Germany, Reunion Island, France and many cities around the US.

Minnesota is his home now and he is excited to share his passion with our community!

*"I love teaching. I try to bring African techniques, which are different than those in the United States or Europe and mix them together. It is interesting to see what happens with the mix of cultures,"*
